Council Disposes of Routine Business

This is the official record of the proceedings of Council of the Town of Wainwright, at its regular meeting held in the council chamber on Tuesday, the 2nd day of February, 1948, commencing at 8 o'clock P.M.

The members of Council present at this meeting were Mayor Robinson and Councillors Coleman, Tory, Stafford, Wallace and Armstrong.

The recorded proceedings of Council at its regular meeting held on January 20th, were read, and on motion of Councillor Tory were confirmed as written.

On motion of Councillor Coleman,

that letter from Secretary-Treasurer of Wainwright Municipal Hospital District No. 17, dated January 23rd, be held over pending further information relative to 1948 Requisition.

On motion of Councillor Stafford, that letter from the Wainwright Presbyterian Law Association of the United Church, be received and filed, and that the Association be advised of the hours the Wainwright Statistick is open on each Sunday.

On motion of Councillor Tory, that the action of the Mayor in ordering an increase in the supply of milk and order on Wainwright Pharmacy for any necessary medicine to Parquette Family, be endorsed by Council.

On motion of Councillor Coleman, that the Report of Town Constable Patterson for the month of January, be received and filed.

On motion of Councillor Wallace, that the Bill Point Chamber of Commerce be advised that this Council will support any steps taken to obtain a North-South Highway through this area, and will support the Wainwright and District Board of Trade in their activities to encourage this project in so far as this community is concerned.

That the Report of the Finance Committee be accepted and that the Mayor and Secretary-Treasurer be authorized and instructed to issue continued on page 5

On motion of Councillor Coleman, that the Report of Town Constable Patterson for the month of January, be received and filed.

Winners of Farmers Bonspiel; Held Jan. 31

Pictured above are the winners of the Farmers' Bonspiel who succeeded in "bringing home the bacon." Their prize for such event was four registered hogs, donated by Mr. Jack Perkins. Although they are not seated in the proper position, from left to right, H. Zender, third; S. Ayrey, skip; A. Rogers, lead; and J. Ebbens, second. (Star Photo)

Grand Challenge Winners of Men's 'Spiel

Pictured above are the tired and weary curlers who captured first place in the Grand Challenge event of the Men's Curling Bonspiel played in Wainwright during the last week of January. Also this team won the Grand Aggregate Cup, winning nine out of ten games played. From left to right, A. Kienlemer, skip; Dr. J. D. Wallace, third; W. Ratway, second and C. Stafford, lead. (Star Photo)

Consolation Played In Men's Curling 'Spiel

Last week saw the final wind-up of the men's curling bonspiel when the consolation event was played off. Due to pressure of time this event could not be held during the regular bonspiel and only after the ladies spiel was there time.

The weather being somewhat colder than the week previous it made for keen ice. Twenty-one teams were listed for this competition with four teams to decide who would divide the prize. Play got underway on Wednesday afternoon and continued each evening until Friday when the finals were played.

Owing to R. Mulvey's absence the rink was skipped to victory by G. Middleton when the team took first place, winning the wash mits and channels donated by Buffalo Service Station. The other opposing team in the finals was the Buckle rink, but owing to Barney being on the sick list his team was skipped by Jack Davidson. Losing out for first place, this rink won the second prize of wall mirrors donated by the Wainwright Star. The third prize was won by the Ed. Furrier rink who took home the Sun Visor, donated by Reynolds Garage, while the glass lake dishes, donated by Wainwright Studio, were captured by the Albert Ratway rink. At the time of writing it had not been decided who would be awarded the hard-luck prize donated by G. Graham.

This brings to a successful conclusion another Wainwright bonspiel and it is learned that the 1948 'spiel is one of the largest to ever be staged since the sport was inaugurated in the district.

World Day Of Prayer February 13th

The Annual World Day of Prayer this year will be observed on Friday February 13th and will be held in the St. Andrews Presbyterian Church commencing at 3:30 p.m.

The world day of prayer is an annual event that has taken place for the past 27 years. It is primarily a meeting of women who join together in observing the world day of prayer, and in so doing they form a link in a chain of thanksgiving and intercession that encircles the globe. This coming Friday in more than 50 nations around the world, Christian women will meet to renew their trust in God, in a Faith unchanging and true.

This service in Wainwright will be a union service and a cordial invitation is extended to ladies of all churches to be in attendance. In connection with the observance of the World Day of Prayer, Her Excellency the Viscountess of Alexandria of Tunis has graciously consented to give an address on the Trans-Canada Broadcast on February 13th.

Mixed 'Spiel To Start February 23rd

Plans are now in the final stages to start the Wainwright Mixed Curling Bonspiel on Monday, February 23. It is expected that a large number of rinks will be in the entry due to the record number of curlers taking part in the game this season.

At the time of writing the rinks and their personnel have not been drawn up, but it is likely that this will appear along with the schedule in next week's Star.

Silver Wedding Ann. of Mr. & Mrs. J. T. Black

On the afternoon of January thirty-first, Mr. and Mrs. John T. Black of Plaxtonville district were the recipients of a surprise party held by their neighbors and friends, the occasion being their twenty-fifth wedding anniversary.

A pleasant hour of visiting and reminiscing was followed by a delicious lunch. The table was centered, by a beautiful cake suitably decorated, which was cut by the bride and groom of twenty-five years.

Mr. Frank Zajac, a near neighbor for many years, presented the happy couple with a silver tea service, a gift from their many friends and neighbors. Mr. Fred Ford read an appropriate address. Mr. and Mrs. Black both thanked their guests and expressed their surprise in a few well chosen words. This was followed by all singing "For They Are Joyful Good Fellows", and the signing of the guest book.

Miss Jean Black, who spent the week-end at home, presented her parents with a cabinet of silverware in Portune pattern. A highlight of the afternoon was the presence of Mr. John Taylor of Edgerton, Mr. Black's father. Both Mr. and Mrs. Black are members of pioneer families of the district.

The guests, some 50 in number, left their homes in a roaring wind and snow storm and were some time getting through badly drifted roads.

—Con.

CARD OF THANKS

Mr. and Mrs. Black wish to thank their friends for having made their twenty-fifth wedding anniversary such a memorable occasion.

Town Nominations To Be Filed Monday In Secretary's Office

From now until Monday noon next there is apt to be some activity at the Town Secretary's office as 12:00 p.m. noon Monday, February 16th, will be the closing hour for accepting nomination for positions on the various public boards that will automatically become vacant at that time.

Speculation is held high in some quarters as to whether there will be an election the following week. If more nominations are received than positions to be filled it will mean calling an election, with people of the town making their choice of candidates for the coming terms.

Open will be the position of town councillor for two people owing to term having expired for Councillor Stafford and Councillor Cork. Councillor Cork left early in the fall of 1947 to make his home in British Columbia, and due to time being short before election, it was not necessary for a by-election to be called.

Councillor Stafford's three year term is up and in all probability Mr. Stafford will seek re-election. It must be pointed out that nothing definite has been heard in this connection, but only an assumption is being made.

Three vacancies will be open on the Wainwright Separate School Board as the terms of Rev. J. P. Elmann, O. Croteau and L. Killoran expire this year.

The other public body on which trustee vacancies will occur will be the Wainwright Public School Board. This is the local board and must not be confused with the divisional board.

The terms of Mrs. F. R. McLeod and Mrs. R. Taylor expire this year and two nominations will be required to fill this slot.

Nomination papers are now available from Secretary Don Pawsey and those requesting same are urged to contact the town secretary at the earliest possible date.

Death and Funeral of Late Mrs. H. Morrisette

Mrs. Harriette H. Morrisette passed away on Monday, February 2nd, in the Wainwright hospital after an illness of several months.

Born in York County, England in March 1877, the late Mrs. Morrisette came to Manitoba in 1895 with friends for her health. She later moved to Medicine Hat where she trained as a nurse. She married Mr. T. Dickson and of this union four children were born, one daughter and three sons.

In 1918 she moved to the Greenfield district and in 1922 married Mr. Charles Morrisette who predeceased her in 1941. Since that time she has lived most of the time in Wainwright. She was a member of the United Church and was a willing worker when called upon. For the past few years she had been in failing health and was admitted to the Wainwright hospital early in December.

Left to mourn are one daughter and three sons, also one stepson, Mr. Gordon Morrisette and one stepdaughter Miss Ella Morrisette.

The funeral was held on Thursday, February 5th at 2:00 p.m. from the United Church with Rev. M. Dobson officiating. Members of the "Sunshine Club" of which she had been a member, attended in a body. McLeod Funeral parlors had charge of arrangements. Pallbearers for the deceased were: Messrs. H. Pfleger, P. Patterson, S. Cooper, A. Murray, G. Reid and G. Golding.

Floral tributes were received from: Gordon, Ella and Ella, Montreal; Dickson Family, Tacoma, B.C.; Margaret, Detroit; Mrs. Spence, Margaret and Peter; Mrs. Ebbens and Family; Lloyd Haynes; Mr. and Mrs. T. McDougall; Mrs. Cooper, Mrs. Hutton and Cy Abernathy; Mrs. Cassady; in the district: The Alex. and Ellen, Beth and Family; Chas. and Jean; The Velleau Families; Lindberg Family and Steenson Family; Mr. and Mrs. L. Carl; Mr. and Mrs. A. Murray; Alice and Bebo Platt; Douglas and Marcelle Rosch; Mr. and Mrs. T. Daniels; Dorothy and Charlie Stewart; Rufus and Mary Carl; Lillian and Martin Daniels; Mr. and Mrs. A. Hutcheon; Mr. and Mrs. Pfleger; Mrs. J. Chymoweth; Mr. and Mrs. Rubie; Alice, Lorna and Morris; Mr. and Mrs. O'Connor; Hugh and Owen Reid; Gordon Jansen; Mr. and Mrs. G. Reid; Garney and Mildred Murray; Mr. and Mrs. Stan Cooper; Mr. and Mrs. Roy Sargeant; Mr. and Mrs. Ed Patterson; The Morrison Family; Mr. and Mrs. W. White and Family; Mr. and Mrs. A. E. Kett; Haleigh and Jean Davidson; Mr. and Mrs. D. L. Haggerty.

Funeral services were held from the United Church with Rev. M. Dobson officiating. Members of the "Sunshine Club" of which she had been a member, attended in a body. McLeod Funeral parlors had charge of arrangements. Pallbearers for the deceased were: Messrs. H. Pfleger, P. Patterson, S. Cooper, A. Murray, G. Reid and G. Golding.

Kett; Haleigh and Jean Davidson; Mr. and Mrs. D. L. Haggerty.

Funeral services were held from the United Church with Rev. M. Dobson officiating. Members of the "Sunshine Club" of which she had been a member, attended in a body. McLeod Funeral parlors had charge of arrangements. Pallbearers for the deceased were: Messrs. H. Pfleger, P. Patterson, S. Cooper, A. Murray, G. Reid and G. Golding.

Floral tributes were received from: Gordon, Ella and Ella, Montreal; Dickson Family, Tacoma, B.C.; Margaret, Detroit; Mrs. Spence, Margaret and Peter; Mrs. Ebbens and Family; Lloyd Haynes; Mr. and Mrs. T. McDougall; Mrs. Cooper, Mrs. Hutton and Cy Abernathy; Mrs. Cassady; in the district: The Alex. and Ellen, Beth and Family; Chas. and Jean; The Velleau Families; Lindberg Family and Steenson Family; Mr. and Mrs. L. Carl; Mr. and Mrs. A. Murray; Alice and Bebo Platt; Douglas and Marcelle Rosch; Mr. and Mrs. T. Daniels; Dorothy and Charlie Stewart; Rufus and Mary Carl; Lillian and Martin Daniels; Mr. and Mrs. A. Hutcheon; Mr. and Mrs. Pfleger; Mrs. J. Chymoweth; Mr. and Mrs. Rubie; Alice, Lorna and Morris; Mr. and Mrs. O'Connor; Hugh and Owen Reid; Gordon Jansen; Mr. and Mrs. G. Reid; Garney and Mildred Murray; Mr. and Mrs. Stan Cooper; Mr. and Mrs. Roy Sargeant; Mr. and Mrs. Ed Patterson; The Morrison Family; Mr. and Mrs. W. White and Family; Mr. and Mrs. A. E. Kett; Haleigh and Jean Davidson; Mr. and Mrs. D. L. Haggerty.

WE NEED IT, LET'S BUILD IT

One subject close to everyone's thoughts during the past two years is the Peace Memorial Centre, and of late little has been said or heard of it. Why the delay in the building plans is hard to attribute to any one fault. Ever since the first plan of such a project was contemplated the public have been in accord with such an undertaking. They have subscribed a substantial sum for its erection and whether this sum is substantial enough is only for a contractor to say. The point is to get something conclusive so that a start can be made during the coming months.

Valuable time has been lost this winter in raising more funds if they are needed, and they likely are. At present though no one seems to know how much is needed, and from the lack of publicity given this undertaking of late, it would be reasonable to presume that no one seems to care very much. As far as we are aware not one cent has been added to the fund this winter, which is a serious hardship and will be severely felt when and if actual building gets underway.

From all accounts there has been appointed a committee from the council of the Town of Wainwright who are to work in conjunction with the citizens committee. When and where the citizens committee have had a meeting with the town committee is hard to say, for we have not heard of it. On the other hand it would appear that the citizens committee have sort of fallen down in the fact that they have not held a public meeting for a long time. Once a year at least it is good business to call an annual meeting and this has not been done for 1947.

The P.M.C. question was brought up at the Town annual meeting but from where we sit, we were slightly disappointed. You might say that the question was brought up and that was all. There was very little discussion on the matter and nothing at all was offered in the way of suggestions or criticism. The matter was dropped in regular fashion.

There is no doubt of the need for such a building in Wainwright. A central place for recreation for residents of all ages is a sound basis on which to build a healthy community life in the district. To date no such central point exists. This gaping vacancy in community life here can be and will be filled only by the erection of the P.M.C. What more fitting tribute could there be to this district's fallen soldiers, airmen and sailors than a living memorial isn't it our duty to provide that memorial which in turn will provide the coming generations with clean healthy relaxation. The need for the P.M.C. is founded on this basis and is recognized by one and all.

At the present time things are at a stalemate. Just where the blame lies is impossible to say. We are of the opinion though, that a certain amount of friction exists with the powers that be as to such points as location, cost and other matters. There might not be, but again this is only our assumption. The town council committee have only recently been appointed and are relatively new to this undertaking. The citizens committee it is expected are waiting on further town action, and the town is waiting further developments from the citizens committee. This is the one sure way that nothing will be accomplished. Let's bury the hatchet and really make plans for the erection of this fine memorial which will keep alive for time immortal the sacrifices which our boys made. The slogan from now on should be "We need it, let's build it, in '48." To start now will ensure that the slogan is kept.

FREE ENTERPRISE AND COMMUNISM

(From "Precision")

The American Federation of Labor has been investigating Communistic efficiency in Russia, and has reduced to figures a comparison between the American and Russian ways of life.

Under the heading "What you get for your work," a table shows the work hours in United States necessary for certain commodities under free enterprise, and the work hours in Communistic Russia for the same commodities.

To buy daily food, the work time in U.S.A. is 3 hours, in Russia 9 hours.

To buy cotton stockings takes 1 hour in U.S.A., 24 hours in Russia.

To buy a cotton shirt takes 3 hours work in U.S.A., 320 hours in Russia.

To buy an alarm clock takes 4 hours in U.S.A., but 160 hours in Russia.

Price of a bottle of beer in U.S.A. represents 10 minutes work, but 8 hours in Russia.

A ladies coat is paid for in U.S.A. by 75 hours of labor. In Russia it would be 1000 hours.

A wrist watch means 30 hours wages in U.S.A., but 1600 hours in Russia.

Golosines mean the wage from 3 hours work in U.S.A., and 160 hours in Russia.

Parliament re-opened quietly last week in spite of many threats of fireworks by opposition leaders. The problem of inflation and consequent high prices was debated at length in the address in reply to the speech from the throne. Socialist leader Coldwell took a strong stand against the establishment of a parliamentary committee on prices. He followed the usual socialist line of depreciating the value of parliament and favouring more authoritarian action. It is noted here with interest that his strongest statement against the value of a parliamentary committee was made in a statement outside the House. The leader of the official (P.C.) opposition agreed to cooperate in the work of the parliamentary committee.

The Canadian Farmer

All observers here valued closely last week's twelfth annual conference of the Canadian Council of Agriculture at Brockville, Ontario. Two hundred agricultural delegates from all parts of Canada endorsed the wheat marketing plan of the Federal government. Other resolutions supported a stabilizing program for agriculture of which the British food contracts are a part.

The proceedings of the agricultural meetings has had a sobering effect on many in politically minded circles in the capital city. Those particularly in the C.C.F. party who called so loudly for controlled "low" food prices, and scoffed at the suggestion that these bore any relation to costs of manufactured goods, are more careful in their statements. The moderation shown in the resolutions from the Canadian Council of Agriculture and in the address of Mr. H. H. Hannam has made a deep impression. It could well be used as a model for many labour leaders and some industrialists to follow. The resolutions are to be finally prepared for presentation to the government. These are being watched for with keen interest.

Agriculture Minister Gardiner represented the government in addressing the conference.

Echoes from Parliament

As the House opens—a committee to deal with prices.

Mr. Mackenzie King: The purpose of the government in proposing a committee of this house to investigate matters pertaining thereto is evidence of the fact that we have felt very strongly that that matter should receive the strictest investigation possible. That being so, may I say to my hon. friend that I can see no reason why that committee might not be appointed within a fortnight. If in his opinion that is too long a time, I will make it a week.

Mr. Bracken: That is too long.

Mr. Mackenzie King: The difficulty in part is in getting the names of the members for the different committees. If, within a week is agreeable to hon. members, I shall bring forward a motion to institute the committee to which I have already made reference in public. Hon. members will thereby be enabled to discuss the question of the high cost of living and of prices very fully on the motion itself.

Mr. Graydon: Not of the last subject, if you set up the committee first.

Mr. Mackenzie King: No one is thinking of setting up that committee for the purpose of restricting discussion. It is a committee to help to throw light on that very important question. The government will be governed from that point of view.

Mr. Graydon: We have heard that before.

Mr. Mackenzie King: I hope in these circumstances, Mr. Speaker, it will be possible for the house to agree on the motion which is before us.

Motion agreed to, on division.

Red Pass Junction

Everyone in the camp is enjoying the ski parties and winter sports. The residents of Red Pass and Propakt turned out in force, along with people from many other points to the farewell dance held for a C.N.R. Patrol Man, known to all as Red Pass Sammy, who received his pension. A good time was enjoyed by all.

M. Allott was in Jasper hospital for ten days with a badly infected foot caused by a bad scald.

Frank Goddard was also a patient in the hospital for a few days.

The weather is somewhat colder these days.

Cheerio Wainwright!

IN OUR TIME

Do You Remember?

Taken From The Star Files

TWENTY YEARS AGO

February 15th, 1928

A large crowd gathered at the Biltmore Theatre last week to hear a lecture on the Frog Lake Massacre. Mr. W. B. Cameron, one of the survivors of this rebellion, was the speaker and the recount of his exciting experience was found most interesting by the people.

A farewell party was held at the home of Mrs. L. Pickard Wednesday evening, in honor of Mr. Sterling Trowie who is leaving to visit his home in Scotland.

A successful St. Valentine's tea and home cooking sale was held in the Rostrom by the United Church Sunday School on February 11th.

FIFTEEN YEARS AGO

February 8, 1933

Mr. Frederick Goodkay, a resident of the Wainwright district for the past few years, passed away at his

Joe Rutledge Says

IF YOU HAVE AN OPINION, SAY SO

By Joseph Lester Rutledge

It is difficult for most of us to remember that free speech does not mean only the presenting of our opinion. Happily for us it sometimes does. But, often our conception of freedom is confused by our own personal convictions or prejudices. We are quick to demand freedom of assembly and of the press for views and opinions with which we agree. We feel that it is admirable for our side to be given freedom of the air; but if contrary opinions are expressed it is a flagrant evidence of political chicanery. If the preacher or the street agitator preaches what he believes, and what we don't, we do not demand for him the right to talk his opinion to death—which is the ultimate fate of unassured opinions. We demand that he be declared a public nuisance and that his voice be suppressed. It is all beautifully human, but it isn't freedom.

Continually individuals and groups and governments attempt to decide what is true, what is moral and what is generally beneficial for the people. Their intentions are frequently of the best. But these are not matters to be decided by minorities—if we are to remain free. Democracy is the rule of the majorities and we must depend on them, even at some danger that, before the majority has spoken, an unwise, unreasoned or untrue doctrine or reputed fact may have been given publicity.

Two and a quarter centuries ago young Benjamin Franklin aged 16 took over the control of the "New England Courant" of Boston, his brother James Franklin, who owned the publication, being temporarily behind bars for printing what the Boston city father characterized as untrue. Young Franklin's first task was not to secure his brother's release, but to defend his basic right to print what he thought true. "Without freedom of thought," he said, "there can be no such thing as wisdom; and no such thing as public liberty without freedom of speech which is the right of every man, as far as it does not hurt or control the right of another."

What young Franklin demanded was just what democracy implies, that the hearer and the reader, not an appointed or self-appointed censor shall decide these issues of right and wrong. Long years later a grey-haired Franklin elaborated his original opinion. "When truth and error have fair play," he said, "the former is always an overmatch for the latter." Unfortunately many well-intentioned persons lack the wisdom and the patience to give democracy a chance.

By Howie Hunt

people are patients in the local hospital, Mrs. Dickout's mother, Mrs. Knott and Mrs. Danesourt's mother, Mrs. Sewell. We wish them both a speedy recovery.

Little Faylie Plaxton was a visitor to the dentist last week.

The Gilt Edge Sports club met at the school to start their practice on their concert to be held sometime in the near future.

Mr. Johnny Roberts is at present away visiting his brother Mr. Bob Roberts of Wainwright.

(This week)

We are sorry to hear Mrs. C. Plaxton is still confined to her home by illness.

A number of the ladies of the district who have quite recently joined the W.I. attended the monthly meeting held at the home of Mrs. W. Carney Thursday last.

Mr. Johnny Roberts has now returned home.

We are sorry to hear Mrs. Fred Adams is a patient at the local hospital.

The Gilt Edge Ladies Welfare Club plan to hold card parties each Saturday evening. The last one was held at the home of Mr. and Mrs. Marvin Plaxton on February 7th.

Sympathies are extended to Mrs. Don Teeter on the death of her aunt, Mrs. Nelson of Wainwright.

School has been closed part of this week, the teacher Mrs. Olson being sick with the flu.

Wainwright U.F.W.A.

A meeting was held at the home of Mrs. W. C. Taylor on February 3, for the purpose of organizing a U.F.W.A.

After a short talk by Mrs. Taylor, explaining the aims and objectives of the U.F.W.A. the women decided to organize under the name of Wainwright U.F.W.A.

It was decided to hold the meetings in the afternoon of the first Tuesday of each month. The following officers were elected: President, Mrs. W. C. Taylor; Vice President, Mrs. L. A. Myggland; Sec. Treas., Mrs. Joe Dalton.

The next meeting will be held at the home of Mrs. H. C. Driver on March 2nd.

NEVER - Press a Spot

To press spots fixes them, makes some impossible to remove and in case of perspiration it may develop an odor.

If in doubt, say "Clean and Press" best is complete.

CJCA IN POLE-TO-POLE LINE

CJCA's technical staff played an important role in a history making pole-to-pole hookup yesterday. Tech niches at Akilavik, situated at the mouth of the Mackenzie River, originated a relay of greetings to Australia, while conducting an Antarctic expedition on Heard Island.

The greetings, including a song composed by an Eskimo boy for the occasion, were relayed from Akilavik to CJCA by Royal Canadian Corps of Signals; from CJCA via CBC to Sackville, N.B.; from Sackville via International Short Wave to Australia.

At this point, Australia was to have relayed the greetings to the courageous Avance on Heard Island, Antarctica, but found out the last minute that equipment on the frigid island had been damaged.

Though the pole-to-pole hookup failed partially, it was quite a thrill to be part of a setup designed to send messages originating and terminating at the two barren extremes of the globe.

Town Officials Report At Annual Meeting

Continued from last week

FINANCE
Mr. Chairman and Ratepayers of The Town of Wainwright Ladies and Gentlemen:

The Town of Wainwright has again passed through a successful year in relation to Finance and the Taxpayers are to be commended on their prompt payment of taxes during that period.

This Committee has endeavored at all times to keep expenditures within the limits of the appropriations set out for the different departments in the Estimates passed by Council in April of 1947.

The Auditors have charged to Capital Account three quite large expenditures met by Council during the year, as referred to in the Secretary's Report, the amount of \$3000.00 paid on account to our Engineers who eventually be charged back against Water and Sewer borrowings when same take place and a refund will be made at that time to general funds of the Town.

These expenditures referred to

have reduced our cash carry-over from 1946 by approximately \$4000.00 but we still have a cash reserve of \$2500.00. Some criticisms may possibly arise in connection with this relatively large amount, but your Committee would submit that before the 1948 tax collections commence to be paid into the treasury, this balance will have been reduced to an amount that will be quite small but at the same time it is expected will be large enough to prevent the necessity of bank borrowings. Approximately three quarterly payments on School and Hospital Requisitions will have to be paid prior to the 1948 monies coming into the office.

In the Auditor's 1947 Financial Statement of our Town that has recently been prepared and at this time is being made available to all these present, you have there set out a clear and comprehensive picture of the Fixed Assets and Liabilities, A Profit and Loss Statement and a complete summary of all Receipts and Disbursements. When this Statement is presented to the Meeting by myself as Chairman of the Finance Committee, I shall be pleased at that time to endeavour to answer any questions connected with same to the best of my ability.

Respectfully submitted,
C. COLEMAN,
Chairman - Finance Committee

PUBLIC WORKS

Ladies and Gentlemen:

We purchased early in the year, a used Road Excavator from the Municipality of Wainwright for which Council paid the sum of \$3000.00. The acquisition of this very efficient machine has made it much easier for this Committee to maintain our streets and lanes in a far better condition than has been the case in previous years when we were dependent on outside machinery to do this work. We were also able to open up some new streets which have been used daily since this work has been completed. Last year we graded Alberta Street from ninth to sixth avenue. This year we completed the job to second avenue, making it more convenient for the curbers and spectators to travel to and from the rink. We graded our lane, on Quebec Street from fifth to sixth avenue, eliminating a dead end on fifth avenue. Sixth avenue from Main to Ontario Street was completed this year, with the result that some very fine homes have been built on this avenue. The initial expense of this maintenance no doubt necessitated a considerable expense in the one year out of our appropriations for this department, but since the cost of same has been capitalized against down equipment, it will require only incur an expenditure of \$300.00 per year, which is a considerably smaller sum than the Town was expending for outside work in this connection. We believe that the streets and lanes of our Town compare very favourably with other towns of a similar size, and that this piece of equipment will continue to allow us to conserve our streets in a condition that may prove a credit to our community.

Over the year throughout the Town in 1947 was the cause of considerable monies being spent but this condition now shows a marked improvement and the general condition of drainage is considerably better than in previous years. Very little side-walk work was undertaken during the last season as cement was still difficult to procure, but some badly needed work of this nature was undertaken on the west side of Main Street and a big improvement made in this particular area. \$150.00 was spent in preparation for a sidewalk on 6th Avenue West, leading to the hospital. We would acknowledge that there is still room for improvement in the sidewalk situation and trust that at some future date that some definite policy may be worked out in this regard.

Respectfully submitted,
LEWIS C. TORY
Chairman - Public Works Committee

HEALTH

Mr. Mayor - Fellow Citizens
Your Committee on Health begs to report as follows on the activities of the department during the year 1947. The year just passed was a troublesome one in so far as the sanitation of the town was concerned. As you all know this town is growing, and the population is gradually outgrowing the services provided in many respects. This became evident to all of us in the matter of sanitation during spring break-up when it was found that the one man and his helper who held the sanitation contract could not possibly handle all the work.

The situation became increasingly bad until at last it was found necessary to divide the contract into two, separating tasks from the rest of the sanitation chores. This action precipitated numerous small personal difficulties but during the months these have gradually been ironed out, and while the present situation is by no means perfect it is a great improvement over previous service offered.

In the fall it became apparent that many residents were not co-operating with this department in that wet and dry garbage was being

thrown indiscriminately about lanes and vacant lots, instead of being stored properly for pick-up. A regular weekly garbage run in the town area, and bi-monthly service to residential areas was started and a By-law was passed providing fines for improper disposal of waste. Sufficient time has now elapsed for all residents to provide proper receptacles for garbage and steps will now be taken to summon offenders who persist in creating a health hazard by non-cooperation with the by-law.

While on the subject of sanitation I might point out that the Chairman of this Committee is strongly of the opinion that proper sanitation in the town cannot be achieved without a proper sewage disposal system, and in therefore, equally strongly in favor of the earliest start being made on the water and sewage project in spite of increasing cost. The ground is becoming polluted with the soaking of drainage from increasing numbers of temporary cesspools, and good drinking water is becoming scarce as more and more wells tap the shallow seams. Such a system as that proposed is not a luxury but a necessity in a town of this size and the support of all citizens in a forthright money by-law in this regard is requested.

The milk supply situation has been kept under constant supervision by the Medical Officer of Health who reports all dairies in a clean condition. Samples of milk sent to Edmonton for test have at all times been good both in quality and cleanliness. The question of pasteurization was discussed at length by your Health Committee and reported on to Council.

During Army exercises during the past year several sanitary inspections of recreation facilities and eating establishments in the town were carried on. While some restaurants were given good ratings others were placed out of bounds to troops as being found in an unsatisfactory condition. It is our hope during the coming year to insist on satisfactory conditions at all times by regular inspections, and to take steps to close any restaurant found to be responsible at fault in this respect.

The Army also found several places of amusement in the Town to be unsatisfactory mainly because of lack of proper or clean wash-rooms and toilet facilities for patrons. While offenders in this regard were not placed out of bounds because no suitable places of amusement were available the military authorities stated that such conditions would not be put up with indefinitely, and unless changes were made they would take steps to provide their own amusement.

Disease conditions in the town have been normal with most residents preventing the spread of contagious diseases by reporting same and isolating victims.

As we enter 1948 it is the earnest hope of this committee that this year will see a start made on our Sewer and Water project so that we may see a more healthy and sanitary future in store for the Town.

J. D. WALLACE, M.D.

PROPERTY & ASSESSMENT

Mr. Chairman,
Ladies and Gentlemen:
Throughout 1947, Council negotiated the sale of a number of Town Lots to new purchasers, a total of 80, with a net revenue from same of \$1721.00. Several very nice homes have been built and other properties moved in have been renovated and transformed into nice appearing dwellings. The new addition to our Hospital, now under construction, will add greatly to the appearance of the present property and take its place as a big asset to our Town and Community. The Wainwright Clinic Building has now been completed and also is a very fine addition to the many nice buildings that grace our Town.

Building Permits approved by Council during the year, totaled forty

two and the estimated value of the construction of same amounted to \$246,100.00. A number of these buildings, namely Hospital, Church, etc., will be immune from taxation, the aggregate amount of these exempt improvements total \$106,000, so the estimated value of taxable property will be increased by \$140,100.00 for the year 1947-48. This perhaps will constitute an all time record of the Town over a like period.

Your Council passed a By-Law last December, to provide for the numbering of Streets and Avenues within the Corporate Limits of the Town and it is hoped that in conjunction with the Board of Trade, that action may shortly be taken to put this By-Law in effect. This will greatly simplify the matter of defining the actual places of business and residential properties and should be of great benefit to all residents and visitors of our Town.

A decision was made by Council in the latter part of the year, to provide for a complete new assessment of all properties of the Town of Wainwright, this assessment to be prepared and made ready for 1948 taxation purposes. Under the Town and Village Act, this work was definitely slated to take place not later than 1949. The assessment is now in process of being carried out by Mr. A. A. Stinson, of Red Deer, a competent assessor, highly recommended by the Department of Municipal Affairs. When completed, this will be tabulated on 100% basis on both property and improvements, while formerly the improvements were on a 60% basis of actual value. In raising the percentage on improvements it will automatically put up the valuation of the whole Town. Thereby allowing greater borrowing powers should same be necessary. The raise in assessment values will naturally allow a lowering of mill rate when estimates are struck by Council for 1948.

Respectfully submitted,
C. W. STAFFORD,
Chairman - Property and Assessment Committee

BY-LAWS, PARKS & CEMETERY

Ladies and Gentlemen:

Of the many new By-Laws brought into force during the year 1947, most of them were more or less of a routine nature, with the exception of the By-Law relative to the proposed "Post Memorial Centre" skating rink unit, which was fully endorsed by the Proprietor Electors.

It is hoped for, that now a Board of Commissioners have been appointed, that this project will be given all consideration possible in order that construction of the skating rink unit will not be delayed further.

(2) PARKS
The only item of mention here, is the Auto Camp, and as Chairman of this committee, I would suggest, that since this Auto Camp is situated in a very poor location for such a utility, it should be abandoned and should a greater need for such a utility be more evident than its present need, then and then only should such a utility be maintained.

(3) CEMETERY
Due to the large expenditures being made during the year 1946, it was not considered necessary to make any further improvements to the Cemetery ground during 1947. However it is hoped for that, a suitable appropriation will be allotted in 1948, to allow for the removal of the past years excessive growth of light woods, grass and weeds.

Tentative plans have been made to ward the laying out of a more suitable "Soldiers Burial Plot" this work being undertaken by the Wainwright Branch of the Canadian Legion, and it is hoped for, that details will be completed in the early spring of 1948 in order that the landscaping, and marking out of plots may be completed during the summer months.

Respectfully submitted,
C. W. STAFFORD,
Chairman - Property and Assessment Committee

(1) BY-LAWS
Of the many new By-Laws brought into force during the year 1947, most of them were more or less of a routine nature, with the exception of the By-Law relative to the proposed "Post Memorial Centre" skating rink unit, which was fully endorsed by the Proprietor Electors.

It is hoped for, that now a Board of Commissioners have been appointed, that this project will be given all consideration possible in order that construction of the skating rink unit will not be delayed further.

(2) PARKS
The only item of mention here, is the Auto Camp, and as Chairman of this committee, I would suggest, that since this Auto Camp is situated in a very poor location for such a utility, it should be abandoned and should a greater need for such a utility be more evident than its present need, then and then only should such a utility be maintained.

(3) CEMETERY
Due to the large expenditures being made during the year 1946, it was not considered necessary to make any further improvements to the Cemetery ground during 1947. However it is hoped for that, a suitable appropriation will be allotted in 1948, to allow for the removal of the past years excessive growth of light woods, grass and weeds.

Tentative plans have been made to ward the laying out of a more suitable "Soldiers Burial Plot" this work being undertaken by the Wainwright Branch of the Canadian Legion, and it is hoped for, that details will be completed in the early spring of 1948 in order that the landscaping, and marking out of plots may be completed during the summer months.

Respectfully submitted,
C. W. STAFFORD,
Chairman - Property and Assessment Committee

BY-LAWS, PARKS & CEMETERY
Mr. Chairman,
Ladies and Gentlemen:

(1) BY-LAWS
Of the many new By-Laws brought into force during the year 1947, most of them were more or less of a routine nature, with the exception of the By-Law relative to the proposed "Post Memorial Centre" skating rink unit, which was fully endorsed by the Proprietor Electors.

It is hoped for, that now a Board of Commissioners have been appointed, that this project will be given all consideration possible in order that construction of the skating rink unit will not be delayed further.

'PIONEER' ANNOUNCES DISTRIBUTION OF FORTUITOUS PROFIT ON OATS AND BARLEY SOLD UNDER PRICE CEILINGS

All customers of 'Pioneer' Elevators are requested to call at their elevator and receive a cheque covering an additional payment on oats and barley delivered during the current crop season, between August 1st and October 21st, 1947, when price ceilings were in effect.

This payment is an interim distribution of the fortuitous profit made by the Company on oats and barley which it had on hand, and, unpaid, when price ceilings were removed on October 21st.

This payment is 12 cents on oats and 10 cents on barley.

Final payment will be made at a later date.

IT PAYS TO PULL TO THE 'PIONEER'

The government has also promised to make some adjustment to farmers on oats and barley delivered at ceiling prices between August 1st and October 21st, 1947. We trust they will take definite action to implement this promise in the near future.

EDGERTON

The five picture show tickets were won by Doreen John, Dennis Wilson, Mrs. Frank Davis and Carl Sawyer. These tickets were donated by Mrs. House of the Rumpus Tavern. The lucky winners are requested to drop in and pick up their tickets. The ballot box is at the Edgerton Hardware store.

Miss Phyllis McCormick has returned from Edmonton where she was undergoing medical treatment. Mrs. J. Lyttle was taken to the Wainwright hospital last week suffering from pneumonia. Everyone wishes you a speedy recovery, Mrs. Lyttle.

Jim Arneson and Earl Dorland are busy painting and decorating the front end of Steele's Sales and Service. They have also completed painting Pierce's Coffee Shop.

The Edgerton High School held their Annual Bonspiel on Saturday, February 7th. Eight rinks skipped by Mary Wilson, Edith Hallett, Joan Spornitz, Joan Kingston, Ann Spornitz, Vera Bowley, Ken Cornfield and Phil Johnson participated. First prize in the Grand Challenge was won by Mary Wilson, skip, with Bob Ramsay, Phyllis Taylor, and Eileen Taylor. Second prize was won by Phil Johnson, skip, with Dick Welsh, Laulla Tunney and Barbara Harrison.

The secondary event was won by Joan Kingston, skip, with Harry Harrison, Inez Pawsey, Edward House, Lunch was served by the students throughout the day and at the conclusion of the games a banquet was held. Everyone enjoyed a very good time in spite of the cold weather.

Mr. Pete Ellingard, Miss Ann Olson and Mr. Hans Olson arrived in Edgerton early Saturday morning from Denmark. They will make their home with their relations Mr. and Mrs. C. Christensen for a time. Arriving three days late they were in one of the worst storms of the winter on the Atlantic.

Mrs. Bullymore had the misfortune to take a very bad fall while down town last Saturday morning. This accident was caused by the icy condition of the sidewalks and streets. A little and here and there would be a great help in avoiding another accident.

The three ladies rinks mentioned in last week's issue who attended the Ladies Annual Bonspiel at Wainwright were very successful as they all came home with a prize for their efforts. Jessie Calvert's rink won 1st in the Grand Challenge and Eunice Sawyer's rink won second in the same event. Joey Miles and her rink won the 2nd prize in the Consolation.

Mrs. John Arneson is away visiting at her home in Saskatchewan.

SHEEPSKIN FLATS
Mr. Bob Thomas was pleasing again in last week for Mr. L. Eggle. Little Ritchie Tondou is now attending our school.

Miss Bettie Swan entertained her school mates at a birthday party on Sunday.

Mr. and Mrs. Vera Tompkins and family are here from Lloydminster visiting with relations.

CARD OF THANKS
We would like to take this opportunity of thanking our many friends for their kind acts of sympathy and assistance in our recent and bereavement, which were deeply appreciated by us.

MR. and MRS. ALEX SWANSON

GREENSHIELDS

Many residents in the district have been confined to their homes during the past week with severe colds which we hope won't last long. With temperatures so low, perhaps it's a good idea to be in doors.

The two members from here of the Wainwright Ladies' Curling Club were glad to be among the prize winners, even if it was the Consolation, at the recent bonspiel. The rink skipped by Mrs. McCluskey, Miss E. Graunke, third, Mrs. R. Morrison, second and Mrs. W. White lead, won first, after several strenuous games.

Congratulations to Mr. and Mrs. John Kelly who have a wee daughter, "Susan Ruth" born at the Wainwright Municipal hospital Feb. 8th. It is pleasing to know that Mr. and Mrs. Bill Lantieri are back in Wainwright after some time in the city where Bill underwent treatments at the Col. Mewburn hospital.

Mrs. I. Lapiere has had the pleasure of a visit from her sister, who was here from the coast.

Time Out For Laughs

A young man stopped in to a clothing store to ask the price of a suit on display in the window. "You picked the best suit in the place," said the merchant approvingly. "And to show you that I like to do business with a man who has such good taste, I am going to make you a special proposition. I wouldn't ask you for \$62 for the suit. I wouldn't ask you for \$52. I wouldn't ask you for \$42. \$32 is my price for you, my friend."

The customer replied, "I wouldn't give you \$32 and I wouldn't give you \$22. My offer is \$12."

"Sold!" said the merchant. "That's the way I like to do business. No chiseling!"

Several days after his father died little Johnny was stopped on the street by a neighbor. "And what were your poor father's last words?" the neighbor asked. "He didn't have any," Johnny answered. "Mama was with him to the very end."

Reconditioned Motors

Come in and talk it over for prices and different motors.

The census taker asked a hearty mountaineer how many children he had. "Four," was the firm answer, "and, by the way, that's all I'm going to have to."

"Why so emphatic?" asked the census taker. "I ain't forgettin' what I read in the Almanac," said the mountaineer. "It said there that every fifth child born is a China man."

A very agitated lady got her doctor on the telephone. "Come quick," she cried. "My ten-year old son just swallowed a four ten cent."

The doctor remained calm. "I will get over as soon as I can," he said, "but there are several patients in the office now, and you may not see me for three or four hours."

"Three or four hours," echoed the lady. "What will I do in the meantime?" "I am afraid you will have to use a pencil," said the doctor.

FABYAN

Shirley Shaw returned last week from an extended holiday at Vancouver after deciding he would not care to live at that coastal point as over a period of 30 days he only saw the sun once. He says as far as he is concerned, Alberta has the ideal climate.

Congratulations are extended to Mr. and Mrs. Steve Ficker on the birth of a baby son last week in the Wainwright hospital.

The curling quartet of the Wright, Fraser, Finlay and Thomson topped second in the merchant event at the Irma bonspiel last week and brought home a nice revolving lunch tray as the prize.

Mr. Max Uhlik of Carrot Creek, Alberta, is spending a few days visiting with his daughter and son-in-law, Mr. and Mrs. C. T. Atkinson.

Mrs. E. Alkerford is a patient at the Wainwright hospital and we wish her a speedy recovery.

The Paschenale Hockey team motored to Vermilion on Saturday to enter in the hockey tournament there. They won their first game from Rusch, losing the second to Irma Seniors 4-1. The Paschenale and the writer figure the team made a fairly good showing.

HEATH

Mr. Hartley of Rimby is visiting with Mr. and Mrs. J. Hughes and family.

The Junior Red Cross card party and dance held on Friday evening at the school was quite a success. The winners at cards were Ladies 1st, Mrs. E. Alkerford, Ladies Consolation, Mrs. R. Herbert, Gents 1st, Norman Ford, Gents Consolation Reg. Bishop.

Frances Patterson a former Heath pupil played second on the McLeod rink which won the consolation at the Wainwright High School bonspiel held last Saturday.

The Sligo UFA and Sunnyvale UFWA are holding a joint meeting on Thursday at the home of Mr. and Mrs. F. M. Ford when the delegates will present their reports on the convention held in Edmonton during January.

The residents of Heath were awakened early Tuesday morning to find the Heath Auto Service Garage on fire. All cars in storage except one were saved. The garage itself being a total loss. The premises of those in the district are extended to Mr. Lloyd Davis, proprietor, at his loss.

GILT EDGE

Mr. Alf Muddle, returned home last week after a trip to the coast. He has bought a house in Victoria and they plan to leave in the spring to make their future home there.

Since the last snow and wind storm our side roads have become impassable. A visit from the snow plow would certainly be appreciated.

Ronnie Babb spent a few days last week visiting with Billy McClennon. Oral Macklin spent last Saturday visiting with friends in the district.

Mr. and Mrs. Charlie Beasley have both been confined to bed with the flu for the past week and we hope to see them around again soon.

Mrs. Ed Plaxton and daughters spent the week-end with her brother Billy McClennon.

Mr. Les Beasley fractured his rib while hauling straw last week and required medical attention.

Mrs. Jack McClennon is another sufferer from the flu epidemic in our district.

GERALD

Fourteen people gathered at the home of Mr. and Mrs. D. Ratray Jr. for the last meeting of the Farm Forum Group. The subject for discussion was "Do we Need a National Marketing Act?" A resolution about the sale of oleo-margarine was also passed at this meeting. After a social hour, lunch was served by Mrs. Ratray.

The January meeting of the Gerald Club was held on Thursday afternoon at the home of Mrs. D. Ratray Sr. In the absence of president and vice president, Mrs. G. Valina acted as chairman. There were 14 members present to answer the Roll Call with the name of a prominent woman. Mrs. Ratray Sr. reported on gifts bought for the Legion Christmas tree. Mrs. Deyell as convener of bazaar work was given \$30.00 for the buying of material, including the lining for a quilt top which had been donated to the Club by Mrs. Ray Sharp. A splendid lunch was served by Mrs. Ratray. The next meeting will be at Mrs. Campbell's.

There were 21 people present at the home of Mr. and Mrs. J. Perkins on Monday evening when the Farm Forum met. The subject discussed was "Is Farm Income Used Efficiently?" Many farm women favored more improvements to the home. After a social period lunch was served by Mrs. Perkins.

The Gerald Club served the Ladies Curling Club with a banquet in the I.O.O.F. hall in Wainwright on Monday.

day, February 8, and brother here, she has now returned to Ottawa to resume her duties as a visitor at the home of her sisters with the Department of Health.

THANK YOU...

We would like to extend to our many customers and friends our sincere thanks for their patronage during the past three years.

Owing to ill health we have found that we must discontinue the business and would like to introduce our successor Mr. Raymond Mills.

May we bespeak of Mr. Mills at this time and trust that he will be extended the same patronage that we have received during our stay.

Thank you again.

NEWS & VIEWS OF TOWN AND DISTRICT

BORN—To Mr. and Mrs. S. P. Fisher of Irma at the Wainwright municipal hospital on February 8th, a boy.

BORN—To Mr. and Mrs. J. Kelly of Greenfield at the Wainwright municipal hospital on February 8, a girl, Susan Ruth.

BORN—To Mr. and Mrs. G. Coleman of Hughenden at the Wainwright municipal hospital on February 9, a girl.

BORN—To Mr. and Mrs. I. Prosser of Irma at the Wainwright municipal hospital on February 9th, a girl.

Word was received in town of the death of Magistrate Philip de Vegerville on Monday of this week. Magistrate Philip was well known in the Wainwright district, having tried a goodly number of cases at this point.

Dr. J. G. Middlemas returned last week from Edmonton where he has been receiving medical treatment. The doctor looks and feels much better since coming home.

Non-ratepayers are reminded this is the last week to pay their \$9.00 and be eligible for the dollar a day rate at the Wainwright Municipal Hospital. February 15th is the last possible date that this fee may be paid.

Congratulations are extended to the H. A. Koch rink who entered the Edmonton bonspiel and were successful in bringing home second prize in the Gas event. This rink comprised Lorne Mitchell, third; Robt. Mulvey, second; and Ray LeBlanc, lead.

After a month spent touring in the United States to California and up the west coast to Vancouver Mr. and Mrs. T. Ganderton, D. Ganderton and Miss M. Chartier returned home last week and report a very enjoyable trip.

Mrs. H. M. Snyder left on Tuesday to spend a few days in the city with her mother who is hospitalized there.

Constable Allen Wisniewski, of the R.C.M.P. left at the week-end for Regina, Sask., where he will take further training.

Mrs. M. B. Lally who has been visiting for the past while with her sister at McVillie, Sask., returned home at the week-end.

We understand Charlie Davis and George MacBeth have been accepted by the RCAF, Charlie has left to commence training at Trenton and George expects to leave shortly.

Clayton and Elmer Iverson returned home on Saturday after spending the past week in the Camrose district on business.

Dixon Montjoy and Henry Wilhart drove over to Vermilion on Saturday

to play with the Irma Hockey team who were entered in the Hockey Tournament being held there. The Irma team were successful in bringing home the second prize of \$50.00.

Mr. and Mrs. Reg Bean of Winnipeg visited with Mrs. L. Bean and Mrs. Primrose for a few days last week enroute to Victoria on vacation.

Miss Kay Rutherford of the Toronto hospital staff spent the week-end in town with her parents, returning to her nursing duties on Monday.

Roy Hartling Jr. and Phil May Jr. left on Saturday for a trip to Los Angeles, California. Roy expects to drive a car back for Barlow Bros. of Vermilion.

Dr. and Mrs. H. C. Wallace returned home last week from a trip to Rochester, N.Y., and we are pleased to see Dr. Wallace around again.

Mrs. Stan Ryan is on the sick list this week and we wish her a speedy recovery.

Mrs. J. Carroll left on Tuesday of this week to spend a month visiting with relatives and friends in Detroit, U.S.A.

Mr. and Mrs. Phillip Iverson and family of Camrose are visiting this week with the Iverson family in town.

Public School Activities

Grade Eight
Recently Mr. Kenn Torg gave an informative talk on New Zealand to the grade eight class.

On Friday the 31st the class decorated their room for Valentine's Day. A club was formed by the class named the Co-Workers Club. The purpose of the club is to promote citizenship of the members. They are to organize social events and publish a newspaper.

On Wednesday the 4th the class saw a film on aluminum. The following day two films on health were presented.

The evening of Friday the 5th the grade eight class saw "The Yearling" and had a party afterwards at Mrs. Torg's home.

McCafferty & Browning

Everyone was sorry to hear of the sudden illness of Mrs. Ted Abbott who had to be taken to Wainwright hospital in the night. With the roads as icy as they were and a distance of over 35 miles to travel, it is seen that country people are at a disadvantage in such times. It also illustrates the need of the exchange of hospital care. Mr. Abbott is on the north line of the Provost hospital district but the road there was impassable.

Douglas Rae who has been working in Manitoba for some time is visiting his mother, Mrs. Ed Crossley at present.

Henry Spencer has gone to Calgary to attend a meeting of the Institute of Art and Technology.

Mrs. Lyle Albrecht, who has been ill, has gone to visit her parents at her old home in Yarmouth, Nova Scotia.

Browning will hold its annual school meeting on Friday the 13th, and McCafferty will hold theirs on Monday the 16th.

DOLCY U.F.W.A.

The January meeting of the Brown-Dolcy U.F.W.A. was held at the home of Mrs. Harry Scott. There were 12 members present. The president, Mrs. J. Armstrong, was in the chair and Mrs. Wilfred McPeak acted as secretary. A resolution protesting the importation of oleo-margarine on motion of Mrs. Artie Nelson and Mrs. Theo. Scott was passed. It was decided to invest ten dollars in books for the Local's library during 1948. During the year the members will pay 10c fee money. We part of this small gifts will be purchased and raffied at each meeting. At future meetings two women will act as hostesses instead of only one as at present.

The Better Farm Homes Competition was discussed and each member was asked to bring plans and ideas for a model farm home to the February meeting.

The secretary was asked to write to the Wainwright Hospital Board enquiring if any provision had been made for an isolation ward in the new hospital. The local also will offer to help with sewing for the hospital if it is needed.

The convention delegates Mrs. F. Armstrong and Mrs. Gus Nelson gave interesting and detailed reports of the Annual convention held in Edmonton. After the meeting the hostesses served a delicious supper. The February meeting will be held at the home of Mrs. Ted Abbott.

Rosewillow W.I.

The Rosewillow Women's Institute met at the home of Mrs. Carey to hold their February meeting. In spite of the cold day a good crowd turned out. The meeting followed its usual course of procedure. The Roll Call "Homestead Days" was very much enjoyed by all. The sick committee reported several baskets of fruit sent out and letters of appreciation were read.

Papers on The Canadian Citizenship Act given by Mrs. Avison and one on "Agriculture" given by Mrs. Carey were very interesting. Mrs. Carey was elected delegate to attend the W.I. Conference to be held in Edmonton in March. Plans were made to have our annual chicken supper for the members and their families at Black's on March 5th. We also made plans to make up a used clothing parcel and to pack a food parcel to be sent to some needy family overseas.

At the close of the meeting a contest was given by Mrs. Black, the winners being Mrs. Hicox. Mrs. Carey won the raffle. A lovely supper was served by the hostesses assisted by Mrs. Black and Mrs. Avison. The next meeting is to be held at Mrs. H. Olson's on March 4th. The roll call being a March verse.

All of which is respectfully submitted
P. M. ARMISHAW

KIRE, LIGHT & UTILITIES

Mr. Chairman,
Ladies and Gentlemen:

It is with much regret that this Committee has suffered the loss of Councilor Cork who recently took up residence in British Columbia. As Chairman for a number of years, he very ably handled the affairs of this Department, and your Council will miss his good judgement in the many problems that are constantly coming to the front concerning the utilities furnished by the Town. He perhaps served the Ratepayers as long, and faithfully as any member elected to Council and we would wish him and Mrs. Cork many years of well earned happiness in their present home.

The big issue of the past year in this Department, was the disappointing outcome of the Water and Sewer Project. The By-Law authorizing the borrowing of \$164,000.00 for this work were passed, as you know, by a large majority, but in April of 1947, when tenders were called for material and construction of this project, bids were received in the sum of \$263,000.00 and these were only considered at that figure. Your Council had no power to entertain the commencement of this work under the existing circumstances, the borrowing powers of the Town not being sufficient to furnish the amount, but are still investigating every channel that might give a lead to any possible opening to make a start on this work. From information recently received, it would appear that materials for installation are on a downward trend and you may rest assured that Council will seize the earliest opportunity of re-opening this project just as soon as circumstances warrant.

This Department has experienced considerable trouble and expense during the last year, relative to our existing water-main. Many costly breaks have taken place and, as a possible preventive, are about to have a by-pass installed in the basement of the Fire Hall, to control pressure passing through the pipes. Quite a number of catenaries have now connected their properties to the town water supply and it is anticipated that several others are contemplating this same action in 1948, which will necessitate Council installing some type of pressure system. The Fire Department has been called quite efficiently during the past year and a series of more practices and instruction for the present Fire Brigade are being undertaken during the coming months.

Council arranged with Calgary Power Ltd., for the installation of five more street lights during the past year and these have proved of benefit to residents in the north east section of the Town. A further extension of this system is contemplated by Council in 1948 when it is hoped that other sections of the Town will also receive benefit under an extension of this same plan. It might be stated that each additional street light installed causes an added yearly expenditure of \$36.00.

Respectfully submitted,

L. C. TORY

Acting Chairman

SCHOOL

Mr. Chairman,
Ladies and Gentlemen,
The local School Board has held six meetings during the year, these meetings took the form of a Round-table discussion together with the Principal and Superintendent, when ever possible.

The enrolment has increased from approximately 285 to 315 students this year. This increase is due to new families residing within the town. In

order to accommodate the students it has been necessary to open another room in the basement of the old school, this is not an ideal class room. We have placed the typing class there as they have the lowest number of working periods. The grade eight students had to be moved into the old building where formerly we had the typing room. Another teacher was secured for the extra class room in the Public School. This makes a staff of seven for the Public School. The enrolment is as follows:

Grade 1-7	79
Grade 2-3	34
Grade 4	24
Grade 5-6	45
Grade 7	34
Grade 8	20

Making a total of 215 pupils.
In the High School we have a staff of four teachers and one itinerant teacher. Our Home Mechanics extends now to Irma, Edgerton and Chauvin. Our teacher travels to each of these schools one half day per week.

The Dormitory has an enrolment of 30 students and is operating satisfactorily at the present time.
Evening classes are being conducted with a great deal of interest. The typing class has an enrolment of 20, Shop 12, Leather craft 8.

New bus routes are being considered now. It may be possible to operate a bus to include Trafalgar, West part of Health and North part of Greenhills districts, providing these highways are made passable in all weathers.

Our set up now is far from satisfactory, we have over crowding in all rooms, the buildings are scattered and becoming very inadequate. The time is fast approaching when our old Public school will have to be replaced by a new spacious and modern school.

MRS. FRANK McLEOD,

Trustee

WAINWRIGHT MUNICIPAL HOSPITAL

The following is a summary of the activities of the Wainwright Municipal Hospital Board for the year 1947.

The Hospital had a very busy and successful year.

The number of patients treated were 1,453, of these 364 were out-patients. Medical cases numbered 616; surgical cases numbered 277; obstetrical cases numbered 130 and births numbered 136, an increase of over 200 patients. Total hospital days 4,330.

Great difficulty was experienced to accommodate all the patients, but this will soon be remedied when the new addition is completed. Under the capable supervision of Miss Sim, M. Iron, the staff have worked in complete harmony. We have been most fortunate regarding the staff, seldom have we been short handed (or very long, St. A's has had to be increased to keep in line with other hospitals).

Supplies: Foodstuffs, medical supplies, etc., all increased in price this year making the cost per patient day slightly higher than in 1946; 1946 was \$4.30 per day, 1947 \$4.64 per day. The last of the debentures issued for the present hospital were paid. Of course the debenture payment on the new building will be much heavier, but as soon as the new addition is in operation there will be an increase in revenue which will help to pay the extra cost of operation.

All the territory to the East, with the exception of the villages of Chauvin and Edgerton, are now included in the Hospital Area.

A contract with the Irma Municipal Hospital District No. 55 was signed and will terminate in July, 1948. It was decided not to sign a long term contract as costs could not be determined very far in advance. The Ladies Auxiliary have given very valuable service in many ways and I would like to take this opportunity, on behalf of the Board, to thank all the Ladies who have given so much of their time in this splendid work.

The secretary will give you any information from the Balance Sheet regarding costs of operating the hospital.

The following remarks are in connection with the new addition:
A great deal of time and work was taken up before we were granted per-

mission to hold a plebiscite, by the Department of Health and the Board of Public Utility Commissioners. The vote, as you all know was taken on March 25, 1947 and the result was as follows: for the By-Law 1,031; against 71; spoiled ballots 4; total vote 1,066.

On the invitation of Rale, Wynn and Rale, Architects, the Board visited the new hospital at Ponoka, which had just been completed. It was decided that a building on similar lines would meet our requirements, and as you all know the hospital is now under construction, and we hope it will be completed by July of this year. Although a late start was made, the Contractor, Mr. E. F. Wilson, informs us that he has been very fortunate in obtaining materials to date and the work is ahead of schedule.

Eleven special meetings were held during the year, all being in connection with the new addition to the hospital, as well as twelve regular meetings. All meetings were well attended and a keen interest taken by all members of the Board.

Respectfully submitted,

F. E. McLEOD

Report to the People

By Robert Fair, M.P.

The House of Commons resumed its adjourned session on Monday, January 26th, and one of the first things discussed was some method by which the rising cost of living could be checked. Members from all sections of the country seemed vitally interested in this question and it is quite evident that pressure was brought to bear upon them during the recess, to have some action taken.

It was suggested by the Prime Minister that a Committee be set up to investigate increased costs of the necessities of life and some people are now questioning whether the Committee can, or will be effective in getting the desired result. The Prime Minister's idea is that the fact that the Committee is being set up will deter many profiteers from continuing their quest for greater profits.

Several suggestions have been made to reduce the cost of living and one of the favoured suggestions is payment of subsidies on milk, butter meat and bread. It may seem strange that those particular items should be singled out as they are all products of the farm and the very fact that a subsidy is suggested would lead people to believe that the farmer is getting too high a price for his produce. This is definitely not so, but people perhaps get the idea because for a number of years past farmers have been getting the meagre price of 14¢ a cwt. in many cases, far below costs of production and it is about time people looked in some other direction for a decrease in the cost of living.

I would suggest removal of many of the hidden costs in the price of things we buy every day in the stores, and in addition, a reduction in the income tax levy, as well as an increase in the exemption before taxes are imposed.

We also have many people who are compelled to wear an airier far below where they should be, so I would suggest raising those salaries to a level that will give the recipients a decent standard of living, then a number of those in the higher salary brackets are well able to take care of the increased costs of living because of increased wages and salaries they have received since the war broke out.

We have in the country today many people who suggest re-imposition of all the controls that were in effect during the war, a roll-back of prices to the 1945 level and who also claim the right to have an ever-increasing wage scale. When one thinks over this proposition for a few moments you will readily see that a roll-back of prices will give an advantage to the rich corner shop alms and with an ever-increasing wage scale, must ultimately result either in higher prices of the goods being produced, or an ever-increasing national debt, or heavier taxation.

It should also be stressed that one of the best ways to bring prices down to a reasonable level is to increase production so that we have sufficient goods to meet the demands of the customers. Otherwise it means that the people who have got the money will buy up the available goods and leave those in the lower salary class without. However, it is to be hoped that the Committee will get down to business immediately and make an effective contribution to bringing our cost of living to a reasonable level.

Price increases during recent months are certainly not justified by

the cost of raw materials and prices received by farmers for their produce, and those rising abnormal profits should be brought to task.

At the time of writing this article the Bill dealing with the conversion of United States dollars has just

passed the second reading and it is interesting to note that all the opposition parties voted solidly against the legislation. This advantage of American dollars is a direct result of the Bretton-Woods Agreement which was passed by Parliament in 1945.

The Faith Of A Family Endures

To enjoy the good in daily lives, the family group has learned the worth of spiritual values and how to benefit by them. Religion and family go hand in hand through life, as each must practise love and co-operation, and each is bound together by ties that are more than earthly.

To get the most out of life, bring your family to the church of your faith regularly. Your service there is a service to mankind, and the lessons you learn there will benefit your fellow men and women.

CONTINUATION OF
REPORT TO THE PEOPLE

continued from page 6
with all parties except Social Credit. Here, voting in favour of it. At the time discussion was under way we pointed out the effects the legislation would have, and this has now become a reality. The Bretton-Woods agreement, the Geneva Trade agreements and the Dumbarton-Oaks legislation are all tied up together and would seem to be planned for the results they are now reaping. The Geneva Trade agreements are for discussion in the very near future and it may seem strange that we cannot receive the benefits of these agreements while the austerity program is in operation. Many protests

have been lodged against the embargo placed against many of the electrical and other appliances we need coming in from United States, and strong protests have also been made against the imposition of the 20% Excise Tax on a long list of goods, many of which are manufactured right here in Canada.

For the past few years farmers have been receiving a lower price for their produce than could have been obtained in the world markets and in return they have been promised a degree of stabilization for the future, although that promise is of a very uncertain character and a definite assurance should be given on that score during the present season. But whilst farmers have been required to make heavy sacrifices during the past few years, it would now appear that the Government have signed away their freedom to subsidize agriculture prices in the future, because Article 16 of their Geneva agreements, in principle at least, limits the rights of a nation to maintain subsidies, or price support, if the contracting parties to the agreement feel that such a policy may be detrimental to any one of its members.

These, and other matters, require very careful consideration before Parliament endorses the final Act of the Geneva Trade agreements.

Wife Preservers

If fruit or sauce boil up and splutter the wall behind the kitchen stove, wash off as quickly as possible with a cloth wrung out of lukewarm water. If spots are stubborn, dry damp cloth and apply to spots and rinse with clean, damp cloth.

Farmers Attention ...

Have you thought how much the weeds on your farm cost you every year? 2-4D when used with a Kupper K Spray pays its own way plus a profit the very first year.

The K Spray Booms come in lengths of 14, 20, 26 and 32 feet. Makes and models to fit all tractors. You operate it with the exclusive seat control, because it is equipped with remote control shut off valve. The Hinged Action Boom is made so that it swings parallel with row crop tractor, never needs to be demounted to enter gates or narrow places. Pull one pin, that's all. Replace and its ready to use again.

For more details see your local manager.

THE WORLD'S FUTURE IS BEING DECIDED NOW

OUR TOMORROWS depend on what happens to the world's children TODAY. In ruined lands around the globe there are millions of them in misery — scrambling for shreds of food on garbage dumps, shivering in rags. On the continent of Europe, half the children born since the war are already dead of malnutrition. Those who survive — there and elsewhere — are desperately in need of food and clothing. They need schooling, too, for their neglected minds grow as sick as their withered bodies.

They are the future ...

if they are not saved, our world is lost!

Canadian Appeal for Children is now conducting its campaign to meet the challenge of these desperate and immediate needs. This is a campaign by the people of Canada, with a minimum objective of \$10,000,000 to provide food, clothing and school supplies for the children — safeguard the health of expectant and nursing mothers — in devastated lands around the world.

Wherever possible, all donations will be used for the purchase of Canadian goods, and the distribution of goods will be under the direction

of responsible United Nations operating agencies. Your help is needed now. You sympathize. You want to give. But goodwill and good wishes are not enough. Since you may not be canvassed, don't let failure to act be on your conscience. Any BANK will accept your donation. Turn your sympathy and good wishes into a tangible contribution — go to your bank now and give.

FARMERS AND MEMBERS OF CO-OPERATIVES: consult your local organization as to the best way to make your contribution.
